To Whom It May Concern,

The Taekwondo Hall of Fame based in the United States of America is the Official Hall of Fame for the Olympic and world sport of Taekwondo. Members of the Taekwondo Hall of Fame include Olympic, World and national champions including the President of the United States Taekwondo Union (USTU), who also serves as one of our technical advisors. The Taekwondo Hall of Fame is registered with the United States Patent and Trademark Office (USPTO) located in Washington D.C. with an assigned registration number 3147847 on the principal registry.

The function of the Taekwondo Hall of Fame is: "providing recognition and incentives by the way of awards to demonstrate excellence in the field of Taekwondo, a unique form of martial art which is also referred to as 'Tae Kwon Do,' or 'Taekwon-do.'" In that regard only the most notable persons in Taekwondo can receive official recognition from this organization.

I have personally reviewed the background of Farzad Zaraksh, which is quite extraordinary. Specifically, his receipt of the Bronze Medal at the 9th World Taekwondo Championships held in Seoul, Korea in 1989, the Bronze Medal at the 9th Asian Taekwondo Championships in Chinese Taipei in 1990 and a Silver Medal at the 11th Asian Games held in Manila, Philippines in 1994, and his awards as a taekwondo coach in Iran.

In view of the background of Mr. Zaraksh, upon approval of his green card application and admission to the U.S., we would be interested in appointing him to the position of Technical Advisor. I am confident that with Mr. Zaraksh serving as a Technical Advisor, the goals and vision of this organization will be fully realized. In that regard anything that your organization can do to expedite the process of his applying for a green card would be greatly appreciated.

Sincerely yours,

Gerard Robbins, President
Official Taekwondo Hall of Fame
